

Crestwood Fair

The club had a successful and pleasant promotional day out at the Crestwood Fair on Sunday the 23rd of September.

The objective on the day was to make our club and our style of 4wding known to the community around Crestwood. As well as sending out 20 information packs, we had a pleasant day without any of the bad weather experienced in the previous 2 years.

The Fair itself was an improvement on previous years. Our display space had plenty of entertainment provided with the wrestling show taking place right next to us. Lots of acting!!

Many thanks to all those who assisted on the day. Hedley Hall, Jack and Pam Simpson, Ron and Jenni Mason, Chris Gribble, Roger and Jill Sheath.

I think it was a worthwhile venture.

Chris Keys
