

Attendees: Noelene and Stan, Glenn Evans, Brian Webster and Chris Gribble.

Date: 21st December 08

Author: Noelene Kynoch

The Kids Race Day had the best attendance ever with over 150 cars, & raised \$735.00 which the Association has rounded to \$1000 which will be donated to Canteen. There were 165 persons in attendance from 105 vehicles for the 4WD circuit. There were 4x4s, stunt bikes, drift cars, show track, mud grippers, vintage cars, happy kids and parents.

The bat car won 1st place for the best dressed vehicle.

The muddy, dusty, steep and hair raising tracks were well laid out with marshals dotted along the way. As we hit the bottom of the steepest hill with a loud clunk, I turned and saw the look of horror on one parents face, but the kids were laughing and wanted more, faster and muddier. We stayed until we ran out of kids to take, giving them 2 exciting laps each.

We brought half of Oran Park home with us as Stan opted not to use the washer supplied there, and wore the mud proudly home leaving a mud trail all the way. We will be definitely doing it again in 2009, which will be the last time at Oran Park. It was an awesome day and the laughter, looks and smiles from the kids, parents, and all the volunteers made it all a very special day.
