

TRIP REPORT ~

CLEAN UP AUSTRALIA DAY.

Sunday the 3rd of march we all met early at Richmond macca's and then travelled up to the Zig zag car park to air down.

A quick trip into Bungleboori to meet all the other clubs who joined us on this day, an informal briefing and then straight into it.

These folks gave up their time on Sunday the 3rd of march and joined with several other 4wd clubs to help clean up the Newness plateau, Bungleboori camp ground, The brasserie site and other locations.

Ian Bamford, Paul Budd, Shane and Zac McClymont, Joachim Berger, Bruce and Sonya Meyer, Nigel Ward, Kevin Chidgey and Ian McKinley, (and myself).

Surprisingly it was a lot cleaner than past years.

Thanks to you all.

Bruce fenwick.
